A CORONER & A KING

Community Korero

**Mataarae Marae,
Thursday 7th August
2pm | FREE EVENT**

It's time to start talking about our struggles so we can help each other through. Key to Life Charitable Trust suicide prevention campaigner Mike King gets straight up about his battle with depression, addiction and his ongoing journey back to recovery and discusses his aim to TargetZero suicide in Aotearoa. Coroner Dr Wallace Bain will join Mike in discussing suicide reporting and the Law Commission, and issues related to suicide: bullying, social media, alcohol and drugs. This is a not-to-be-missed chance to come together and discuss how to support our youth and each other in our communities to survive and thrive. **All welcome. Parents, professionals, friends, family, young people... We all have a part to play!**
